

TRAIL USE AGREEMENT

The City of Bainbridge encourages the use of our paved Nature Trail for recreational and event use. We will do our best to make sure the trail is clean of leaves and limbs prior to your event. We ask in return that you do not use permanent paint to mark the trail (arrows, mile markers, etc.). Please use chalk, signs, tape, cones, etc. Due to recent damages, we are requiring a deposit of \$100, made payable to the City of Bainbridge, to reserve and ensure that the trail remains unmarked. At the conclusion of your event, the trail will be checked and your deposit refunded. For questions, please contact Megan at 229-248-2000.
